BOY IS KILLED BY AUTO TRUCK

Eddie Rogenmoser Crushed by Two-Ton Machine While Playing in Street.

DIES AT HOSPITAL

Youngster Was Chasing Playmate When Struck by Car Belonging to Standard Engineer Co.

EDDIE ROGENMOSE.

While playing with two other children near the curb at Twenty-first and I streets northwest yesterday afternoon, little 6-year-old Eddie Rogenmoser was run down and crushed by a two-ton auto truck of the Standard Engineer Company. He was removed to Emergency Hospital in a passing laundry automobile and died an hour later.

Little Rogenmoser, who lives at 2029 H street, was chasing Albert Cooper and Daniel Slattery, according to witnesses. The truck, operated by Albert Adams, of 1029 Nineteenth street, was returning to the garage. The child whirled around after his playmates just in time to throw himself in the path of the truck. His skull was fractured and his legs crushed.

"I don't think he saw me," said Adams, who was taken to the third precinct. "He hesitated by the curb, picking up gravel that they were playing with, I blew my horn and thought he was going to stay by the curb, but instead he whirled around right into my front spring."

Leonard J. Rogenmoser, father of the child, said that the Cooper boy, Eddie's playmate, had been to their house, and that the two boys went to Albert's to play. The first the family knew of the accident was when the police notified the father.

Mr. Rogenmoser is a special agent of the Census Office, and had recently brought his family here from Wellsville, N. Y. It is not decided yet whether the child will be buried here or taken back to Wellsville.

Eddie was to have been a page in the St. Stephen's May procession on May 28 and had been rehearsing for it with his sister, Bertha. Two other sisters, Lillian, 17, and Gladys, 14, and the mother were prostrated last evening by the accident.

Coroner Nevitt was notified of the accident and viewed the body. He will hold an inquest at 11:30 this morning.

FORD BUILDING STRIKE HOLDS UP OPERATIONS

Work virtually has been stopped on the Ford Building, in process of erection at John Marshall place and Pennsylvania avenue, as a result of the walk-out on Thursday of twenty-four bricklayers and three stone-cutters because of the failure of their employers to raise the wage scale on May 1.

Although only two trades at the building are affected by the strike, all of the other workmen are indirectly affected, as building operations cannot proceed in advance of the brick and stone work. No effort was made yesterday to get employees to take the place of the men who walked out. No settlement of the situation has yet been reached.

The bricklayers want an increase of 3 1/3 cents an hour under the new union wage scale—an increase from 66 2/3 to 70 cents an hour.

CLARK DEFENDS U. S. CONGRESS

Speaker Tells Fraternity Banqueters Representatives Form Efficient Body.

TALKS TO DELTA TAUS

Cheers Applaud A. Bruce Bielaski's Version of Baltimore Convention's Proceedings Four Years Ago.

Speaker Champ Clark, addressing a smoker of the Delta Tau Delta Fraternity at Rauscher's last night, denied vigorously the statement occasionally made that Congress is an inefficient body.

"It is amazing to me," said the Speaker of the House, "to see the number of people nowadays who attempt to make that statement seriously. I know the members of Congress about as well as anybody, and I say that a more intelligent, industrious and sober body of men cannot be found in the United States."

Speaker Clark, Representative James R. Mann, Republican leader in the House, and the ten other members of the House who are members of the fraternity, were the guests of the local chapter last night.

Speaker Clark cheered.

Loud cheers went up when A. Bruce Bielaski, of the Department of Justice, who presided as toastmaster, told of how close Speaker Clark came to being nominated for President of the United States at the Democratic convention at Baltimore four years ago.

Those present were: Representatives Champ Clark, James R. Mann, W. W. Hastings, Albert W. Barkley, Charles H. Sloan, D. R. Anthony, Jr., W. A. Cullop, H. W. Jacobway, B. G. Humphreys, L. P. Padgett, Rev. U. G. B. Pierce, Dr. Frank Wieland, Chicago; Col. I. W. Littell, U. S. A. Lieut. E. J. Parker, U. S. A.; A. Bruce Bielaski, Ray P. Teale, Rawles Moore, Frank J. Hemmick, A. M. CELEBRATION AT TOME SCHOOL

Founder's Day Observed by Students and Alumni.

Port Deposit, Md., May 12—Exercises in commemoration of the founding of the Tome School were held here today, in Memorial Hall. This is always one of the most important events on Tome's calendar, and was observed this year in conjunction with the Tome alumni reunion. The parents of the students, the alumni, and many other visitors attended the celebration and are spending the week-end at the school.

Immediately after the exercises, a baseball game, arranged by Arthur J. Ford, secretary of the Tome Alumni Association, was played by the alumni versus the students. Tomorrow is Alumni Day. The chief events will be the golf and tennis matches, and the big game of Tome's baseball season with her old rival, the Hill School of Pottstown, Pa., in the afternoon.

PLAN FOURTH OF JULY FETE.

Petworth Citizens Appoint Committee to Arrange Program.

The Petworth Citizens are planning for the Fourth of July celebration which has been an annual affair in that community for some years past. It is said that the celebration will far surpass anything previously given.

Chairmen of the several committees have been appointed and within the next week other appointments will follow and plans formulated for the coming event.

Those having the celebration in charge are: O. J. Randall, general chairman; Paul E. Lesh, W. L. Gutelius, H. J. Phelps, John S. Mills, C. J. James, advisory committee; W. L. Rhoades, treasurer; T. C. Hommler, secretary; Chas. A. Anadale, publicity; R. E. Adams and F. D. Pollard, finance; F. M. Holmes, auditing; J. O. Bobee, and Samuel A. Moores, fireworks; Jesse C. Suter and Chas. A. Anadale, children's parade; Dr. A. C. Norcross, first aid; Paul E. Lesh, E. W. Hawkins and H. F. Wright, judges for essay.
